Bucharest

PROFILE

I am an experienced self-taught Designer bringing over 2 years of experience applying technical and creative abilities to diverse projects. Great wireframing, mocking up and prototyping skills, with efficiency in collaborating with artistic and project leadership to complete tasks according to deadline. A proactive person with great skills in problem solving.

EXPERIENCE

Graphic Design Freelance - 2021

Created visuals, graphic elements, designed applications based on client requirements.

UX/UI Designer intern - 2020

Agrocity / Bucharest

Learned Figma from scratch, design process, typography and colors, wireframing, user research, worked with developers.

UX/UI Team Leader - 2019
